

## Program Preview

### New License Law & Rules, Legislative Update

*Scott Toban & Ron Hargrove provide an overview of the changes contained in the New License Act that was signed into law December 2009 and its effect.*

### FHA- Federal & Illinois Finance Update

*Peter Citera brings us up to date on important changes brought about by the SAFE Act and the new requirements.*

### Property Management

*Taft West shares his expertise and provides valuable insight into the field of Property Management.*

### Presentation Skills for Interactive Learning

*A panel of experienced instructors discusses interactive learning and case studies.*

## Our Membership

### “A COMMUNITY OF EDUCATORS”

Our members come from colleges, universities, private schools, real estate companies, real estate associations, boards and regulatory agencies. AIREE offers an exchange of information for those involved in every aspect of real estate education and training.

### Benefits

- Monthly Newsletter – members receive important and interesting information on real estate topics such as licensing, teaching/training techniques and legal updates.
- Instructor Training – AIREE annually presents an Instructor Training Conference designed to meet the need for development of skills and proficiencies to increase knowledge in key subject areas.
- Networking, networking, networking!
